

Player Registration Instructions

Step 1:

After you have registered your team on the registration system, please log on to your coaches account and go to the “Dashboard”

Step 2:

Once you are on the dashboard you can scroll half way down to the “Staff Assignment” section. In this section you will see all your current teams registered. Under each team you will see “invite player” under each team name.

Step 3:

Click this button and input all the parent or player emails. You can add a personal message here too.

Step 4:

They will be sent a link to register directly for your team. They must register as a “Team Player”
